

Commonwealth School
Coronavirus Information Notice and Consent

Student's Name: _____

As Commonwealth School welcomes students back to campus this fall, we are taking steps to monitor and track the presence of coronavirus and COVID-19 at the School. We have contracted with the Cambridge Innovation Center (CIC) and The Broad to conduct periodic testing of students when they are in the school building. As a result, we will be collecting certain personal and health information of students that we have determined is necessary or appropriate to detect, prevent, contain, track, and treat any occurrences of coronavirus at the School ("Coronavirus Information"). In addition, Coronavirus Information may include, but also may not be strictly limited to, body temperature, other physical health measurements, past and present symptoms and illnesses, test results, existing health conditions that make an individual vulnerable, social interactions, and travel history. The School may collect Coronavirus Information from students as frequently as the School determines is necessary or appropriate to effectively prevent the spread of infection.

I, the parent or legal guardian of the student named above, by clicking "Accept" or signing below, consent to the School:

- (1) using the student's Coronavirus Information to (a) identify individuals at the School who have been or may have been exposed to coronavirus, and (b) improve the School's efforts to detect, prevent, contain, track, and treat coronavirus;
- (2) sharing the student's Coronavirus Information with any individual, government agency, public health organization, or third party that (a) is required by applicable law, and (b) the School determines is necessary or appropriate to detect, prevent, contain, track, and treat to coronavirus at the School;
- (3) collecting, managing, processing, retaining, and transferring the student's Coronavirus Information to any on-premises or online application that the School determines is necessary or appropriate to its coronavirus response; and
- (4) collecting, managing, processing, and retaining the student's Coronavirus Information for as long as the School determines is necessary or appropriate to support the School's coronavirus response.

I further authorize CIC/The Broad to release medical or health information about the student (COVID-19 test results) to the School or other health care professionals as required to carry out treatment, payment, and to process health insurance coverage for testing, unless more specific authorization is required by law.

My consent to the above is a condition of the School permitting the student on campus until the conclusion of the current pandemic. I understand and agree that I do not wish to provide my consent, the School will be unable to permit the student to return to the Commonwealth's campus.
