### To the Recommender:

**Dive In Commonwealth** will prepare middle school students of exceptional promise for success at Commonwealth, a rigorous independent high school in the heart of Boston. Grades and test scores alone give an incomplete picture of a prospective student, and we rely heavily on recommendations from fellow educators.

In your letter, tell us how long and in what capacity you have known this student. Please comment more specifically on the student's intellectual ability and achievement, character and personality, and academic conduct. Please mention any special interests or talents. Dive In Commonwealth asks a significant commitment of time and energy, and we would be grateful for thoughts about a student's ability to make and sustain such a commitment as well as for information about specific emotional or physical difficulties that you think would bear on the student's performance.

If you feel that, in order to give an honest appraisal of the applicant you must disclose sensitive information, we will honor a request to return your letter to you after the admissions decision has been made.

Thank you for taking the time to think and write about this applicant.
